

# THROMBOSIS PEARLS & PERILS FOR PRIMARY CARE

## Sunday, November 13<sup>th</sup>, 2016

### TARGET AUDIENCE

Physicians, nurses and pharmacists involved in Primary Care, Emergency Medicine and other specialties who are treating patients with challenging medical or surgical conditions requiring personalized anticoagulant management.

### LEARNING OBJECTIVES

After participating in this conference, participants will be better able to:

- Personalize hormonal therapies in women with a personal or family history of venous thromboembolism.
- Prescribe a safe and effective perioperative anticoagulant plan for patients on anticoagulant therapy who need to undergo elective invasive procedures or surgeries.
- Identify and deliver the appropriate supportive care and interventions in patients requiring urgent reversal of anticoagulant therapies.
- Apply the evidence on the use of direct oral anticoagulants in special patient populations, including those with renal impairment, obesity and frailty.
- Tailor evidence-based antithrombotic therapy in patients who require dual antiplatelet therapy and anticoagulant therapy.

### SPEAKERS

#### Personalizing Hormonal Therapies: What do Women Want?

**Shannon Bates, MDCM, MSc, FRCPC**

Professor, Department of Medicine  
Director, Division of Hematology and Thromboembolism  
McMaster University, Hamilton, ON

#### Clearing the Confusion About Bridging Anticoagulant Therapies

**James Douketis, MD, FRCPC**

Professor, Division of Hematology and Thromboembolism, McMaster University  
Staff Physician, Clinical Thromboembolism and General Internal Medicine Services  
St. Joseph's Healthcare, Hamilton, ON

#### Can We Use DOACs in Special Populations?

**Cynthia Wu, MD**

Assistant Professor, Clinical Hematology  
Department of Medicine & Dentistry  
University of Alberta, Edmonton, AB

#### Urgent Reversal of Anticoagulation: The Bleed Stops Here!

**Eddy Lang, MDCM, CFPC (MU), CSPQ**

Academic & Clinical Department Head, and Professor of Emergency Medicine  
Department of Emergency Medicine at the Cumming School of Medicine  
University of Calgary, Calgary, AB

#### Triple Therapy or Triple Threat: When Less is More!

**John A. Cairns, OBC, MD, FRCPC**

Professor of Medicine, Division of Cardiology,  
University of British Columbia, Vancouver, BC

# AGENDA

# 4.00

Mainpro+  
MOC Section 1 Hours

08:00 - 08:45 **REGISTRATION, BREAKFAST & VISIT EXHIBITORS**

08:45 - 09:00 Welcome & Introduction  
**Thrombosis Canada Board of Directors**

09:00 - 09:20 **Personalizing Hormonal Therapies:  
What Do Women Want?**  
**Shannon Bates**

09:20 - 09:30 Question & Answer

09:30 - 09:50 **Clearing the Confusion About Bridging  
Anticoagulant Therapies**  
**James Douketis**

09:50 - 10:00 Question & Answer

10:00 - 10:20 **Can We Use DOACs in Special Populations?**  
**Cynthia Wu**

10:20 - 10:30 Question & Answer

10:30 - 11:00 **MORNING BREAK & VISIT EXHIBITORS**

11:00 - 11:20 **Urgent Reversal of Anticoagulation:  
The Bleed Stops Here!**  
**Eddy Lang**

11:20 - 11:30 Question & Answer

11:30 - 11:50 **Triple Therapy or Triple Threat:  
When Less is More!?**  
**John A. Cairns**

11:50 - 12:00 Question & Answer

12:15 - 13:30 **Meet the Expert Workshop & Lunch**  
An opportunity for conference attendees to meet with a thrombosis expert in a setting that fosters interaction. Please rank your preferred workshop when registering.

13:30 - 13:45 Wrap Up & Closing Remarks  
**Thrombosis Canada Board of Directors**

## STUDY CREDITS

The University of British Columbia Division of Continuing Professional Development (UBC CPD) is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME) to provide study credits for continuing medical education for physicians. This program has been reviewed and approved by the UBC Division of Continuing Professional Development. UBC CPD designates this educational program as meeting the accreditation criteria of the College of Family Physicians of Canada for up to 4.0 Mainpro+ credits. This program is an Accredited Group Learning Activity eligible for up to 4.0 MOC Section 1 credits as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Each physician should claim only those credits he/she actually spent in the activity.

## VENUE & HOTEL INFORMATION

\$199 per night

## CONFERENCE FEES

Course materials, breakfast, refreshments & lunch

Save \$10 by registering online!	By Oct 24th	After Oct 24th & On-site
Physicians	\$160/\$150 online	\$185/\$175 online
Other Health Care Professionals	\$110/\$100 online	\$135/\$125 online
Residents & Students*	\$85/\$75 online	\$110/\$100 online

\*Proof of status required. Please fax with your registration.

## PLANNING COMMITTEE

**Marc Carrier, MD, MSc, FRCPC - Chair**  
Hematology  
Ottawa University, Ottawa, ON

**Agnes Lee, MD, MSc, FRCPC - Chair**  
Hematology  
University of British Columbia, Vancouver, BC

**Vivien Brown, MDCM, CCFP, FCFP, NCMP**  
Family Physician  
University of Toronto, Toronto, ON

**Tammy Bungard, BSP, PharmD**  
Pharmacist  
University of Alberta, Edmonton, AB

**Rufaro Chitsike, MD, MBChB, MMED**  
Hematology  
Memorial University of Newfoundland, St. John's, NL

**Esteban Gandara, MD, MSc**  
Internal Medicine  
Ottawa University, Ottawa, ON

**Alan Kaplan, MD, CCFP(EM), FCFP**  
Family Physician  
University of Toronto, Toronto, ON

**Adam Ludlow, BSc**  
Research Associate  
University of British Columbia, Vancouver, BC
